INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Good Samaritan Health Center of Gwinnett, Inc.
Lawrenceville, Georgia

Report on the Financial Statements

We have audited the accompanying financial statements of Good Samaritan Health Center of Gwinnett, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Good Samaritan Health Center of Gwinnett, Inc. as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Good Samaritan Health Center of Gwinnett, Inc.'s 2014 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated February 27, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2016, on our consideration of Good Samaritan Health Center of Gwinnett, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Good Samaritan Health Center of Gwinnett, Inc.'s internal control over financial reporting and compliance.

GOOD SAMARITAN HEALTH CENTER OF GWINNETT, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Good Samaritan Health Center of Gwinnett, Inc. (the Organization) was formed in March, 2004, to provide medical, health education, counseling and social services to the medically underserved community in Gwinnett County, Georgia, and surrounding areas.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Support and Revenue

The Organization's primary sources of funding are private contributions, grants from foundations and other sources and patient payments for services. Patient payments comprise approximately fifty percent of the overhead costs of services rendered.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Services donated by medical professionals are recorded at their fair market value.

Property and Equipment

Property and equipment are recorded at cost or, for donated assets, the fair market value at the date of donation. Depreciation is computed on a straight-line basis over the assets' useful lives as follows:

Office building	39 years
Medical equipment	5 years
Computer equipment	5 years
Office equipment	5 years
Furniture & fixtures	5 years
Leasehold improvements	7 years

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. There was no unrelated business income for 2015 or 2014.

The Organization's Returns of Organizations Exempt from Income Tax (Form 990) for 2012, 2013 and 2014 are subject to examination by the IRS, generally for three years after they are filed.

Cash Flows

For the purposes of the statement of cash flows, cash is defined as cash in banks.

NOTE 2 - PROPERTY AND EQUIPMENT

The components of property and equipment at December 31, 2015 and 2014 are as follows:

	<u>2015</u>	<u>2014</u>
Building and land	\$1,107,033	\$ -

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE 3 - GRANTS

In 2015 the Organization received two Community Development Block Grants ("CDBG") through Gwinnett County for the purpose of purchasing a building and land for relocation of the Organization's facilities. The grants totaled \$1,665,603. During 2015 the Organization purchased a building at a cost of \$1,060,427. The remaining grant funds will be expended in 2016 to prepare the building for occupancy. Expenditures will be reimbursed by the County as expended. All grant funds must be expended by September 30, 2016.

NOTE 4 - NOTE PAYABLE

The note payable is due to a financial institution. The note bears a variable interest rate of prime plus 1.5%, with a minimum rate of 5%. The note is payable in monthly installments of \$2,894 and matures in February 2033. The interest rate in effect during 2015 and 2014 was 5%. The interest rate is subject to change every five years. The next interest rate change will occur on February 5, 2018. The note is secured by an office building with a net book value of \$575,000. The balance of the note at December 31, 2015 and 2014 was \$397,422 and \$411,607, respectively.

Minimum aggregate annual principal payments as of December 31, 2015 are as follows:

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE 9 - CONCENTRATIONS

At December 31, 2015, the Organization had \$886,227 on deposit at a financial institution, which exceeds the FDIC insurance limit of \$250,000.

NOTE 10 - PRIOR YEAR INFORMATION

The statements of activities and functional expenses include certain prior year summarized comparative information in total but not by net asset/program. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements for the year ended December 31, 2014, from which the summarized information was derived.

NOTE 11 - CONTINGENCIES

According to the terms of the grants received (see Note 3), the Organization must maintain ownership of the property for twenty years and continue to use the property for its intended and approved purpose. If these criteria are not met, the Organization would be required to repay a portion of the grants, at a zero percent interest rate, as determined by the grant agreements.

NOTE 12 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through May 24, 2016, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Good Samaritan Health Center of Gwinnett, Inc.
Lawrenceville, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States the financial statements of Good Samaritan Health Center of Gwinnett, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 24, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Good Samaritan Health Center of Gwinnett, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Good Samaritan Health Center of Gwinnett, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Good Samaritan Health Center of Gwinnett, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Good Samaritan Health Center of Gwinnett, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Good Samaritan Health Center of Gwinnett, Inc.
Lawrenceville, Georgia

Report on Compliance for Each Major Federal Program

We have audited Good Samaritan Health Center of Gwinnett, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Good Samaritan Health Center of Gwinnett, Inc.'s major federal programs for the year ended December 31, 2015. Good Samaritan Health Center of Gwinnett, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Good Samaritan Health Center of Gwinnett, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Good Samaritan Health Center of Gwinnett, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Good Samaritan Health Center of Gwinnett, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Good Samaritan Health Center of Gwinnett, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2015.

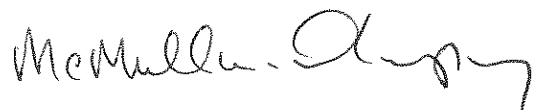

Report on Internal Control over Compliance

Management of Good Samaritan Health Center of Gwinnett, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Good Samaritan Health Center of Gwinnett, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Good Samaritan Health Center of Gwinnett, Inc.'s internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
