

## **Position Title: General Dentist**

Good Samaritan Health Center of Gwinnett, a nonprofit charitable Christian dental practice in Norcross, seeks a general dentist in search of a 32-hour per week position to join an existing team of two dentists and support staff to serve the poor and uninsured of our community. Offering more than a typical public health clinic, we have new well-equipped offices that serve children and adults in need of restorative care, including fillings, extractions, RCT, partials, and dentures; and routine prophylactic care.

### **The ideal candidate will:**

- Have experience working with underserved populations.
- Be a fluent English and Spanish speaker (desirable but not required).
- Be mission-minded.
- Be comfortable with immigrant populations not familiar with dentistry.
- Be agreeable to working in a charitable setting with budget limitations.
- Be willing to participate in evangelical ministry activities.

### **Our expectations:**

- Routinely serve 8-10 treatment patients each day, and
- 3-5 visits comprised of exams or crown seats or impressions, and
- Check out hygiene patients (6-8 each day) as needed.

### **Qualifications:**

- D.D.S. or D.M.D. from a school accredited by Commission on Dental Accreditation (CODA).
- Licensed to practice in Georgia.
- Experience with dental care databases and applications.
- Willingness to comply with all local, state, and federal laws regarding dental care.
- Excellent written and verbal communication skills, ability to keep detailed records.

### **We offer:**

- Competitive salary in the public health sector.
- Medical, dental, vision, life, and disability insurance.
- 401k with matching benefits.
- Paid time off: personal days and holidays.
- Professional fee and CE reimbursement.
