

Position Title: Development Officer

Norcross, GA • Hybrid • Full-Time

Company Description: The Good Samaritan Health Center of Gwinnett is a non-profit medical clinic that provides low-cost primary care, general dentistry, and disease management services for uninsured residents of Gwinnett County and surrounding areas. Good Samaritan Health Center aims to decrease demand for non-emergent medical services in local hospital emergency rooms and care for those that may be suffering from chronic illness and disease.

Role Description: This is a full-time hybrid role for a Development Officer located in Norcross, GA at Good Samaritan Health Center of Gwinnett. The Development Officer will be responsible for annual giving, communication, philanthropy, fundraising, and research activities to support the mission and goals of the organization.

Qualifications:

- Annual Giving and Fundraising skills
- Communication and Philanthropy skills
- Experience in conducting research related to fundraising
- Ability to network and build relationships with donors and stakeholders
- Strong organizational skills and attention to detail
- Passion for serving the uninsured and marginalized populations
- Bachelor's degree in a related field
- Experience in non-profit or healthcare fundraising is a plus
- Salary Range is 80K+ DOE and bonus potential.
